

That Much

Ra Ra Riot

I made sure of the end
The upper atmosphere ahead

All I know

It wasn't much
It wasn't that much

Oh, I watch
The whole Earth
Oh in a little box
A window
I can learn from
I'd have known

There's no room for the dead
I just don't want too many friends

All I know

My home won't be another ghost
But now I've pulled it too close

All I know
All I know
All I know

No more (It wasn't much)
I won't have another (It wasn't that much)
No I won't (It wasn't much)
I won't have another (It wasn't that much)
No more

Dreams of Freeside
Under this empty old ring
I've fallen too far
Too far beneath

I made sure of the end
The upper atmosphere ahead
All I know

All I know

All I know
