

She Got Away

Say Anything

I feel so stupid now that we are apart
Youve got a boyfriend
Ive got a broken heart
Im glad youre happy
I know he plays on varsity but
Do you still miss me when everything is quiet in your room? If you could give me one more chance I swear
Id give anything to be with you
If you could only turn my way again
Dont fall in love with someone new
Someone new One lonely Sunday will you drop by my home
Wipe off the tears I shed since I have been alone
Lay your head on my shoulder
Thats all I need to go on
Just one last moment of looking in your eyes If you could give me one more chance I swear
Id give anything to be with you
If you could only turn my way again
Dont fall in love with someone new
Someone new If you could give me one more chance I swear
Id give anything to be with you
If you could only turn my way again If you could give me one more chance I swear
Id give anything to be with you
If you could only turn my way again
Dont fall in love with someone new
Someone new
