

Left For Dead

Eyes Like Diamonds

 Been left for dead
 I know it's in the back of your head
 Been left for dead
 Sister you're better than that
 Been sold downstream
 Sold down river to the cousin of the king
 Been left for dead
 Sister you're better than that
 A e i o u

 A e i o u
 A e i o u
 Gonna beat him instead
 Beat all the odds that you got up ahead
 You gonna beat him instead
 Cause sister you better than that
 A e i o u
 A e i o u
 A e i o u
