[English]

Donâ€™t be sorry,
That makes me more pitiful
With your pretty red lips
please hurry, kill me and go
Iâ€™m all right
Look at me one last time
Smile like nothingâ€™s wrong,
So when I miss you
I can remember
So I can draw your face in my mind

My selfishness that couldnâ€™t let you go
Turned into an obsession that imprisoned you
Were you hurt because of me?
You sit silently
Why am I a fool,
Why canâ€™t I forget you
Youâ€™re already gone

Your eyes, nose, lips
Your touch that used to touch me,
To the ends of your fingertips
I can still feel you
But like a burnt out flame,
Burnt and destroyed

All of our love
It hurts so much, but now
Iâ€™ll call you a memory

Love you, loved you
I must have not been enough
Maybe I could see you
Just once by coincidence
Everyday I grow restless,
Everything about you
Is becoming faint
You smile back in our pictures,
Unknowing of our
Approaching farewell

My selfishness that couldnâ€™t let you go
Turned into an obsession that imprisoned you
Were you hurt because of me?
You sit silently
Why am I a fool,
Why canâ€™t I forget you
Youâ€™re already gone

Your eyes, nose, lips
Your touch that used to touch me,
To the ends of your fingertips
I can still feel you
But like a burnt out flame,
Burnt and destroyed
All of our love
It hurts so much, but now
Iâ€™ll call you a memory

Your black eyes that only saw me
Your nose that held the sweetest breath
Your lips that whispered
â€˜I love you, I love youâ€™â€¦ Iâ€¦

Your eyes, nose, lips
Your touch that used to touch me,
To the ends of your fingertips
I can still feel you
But like a burnt out flame,
Burnt and destroyed
All of our love

It hurts so much, but now
Iâ€™ll call you a memory
