Alala, alala, gimme 3 wishes
I wanna be that dirty finger and his six bitches
Alala, alala, gimme more 2
I wanna be in that crazy band or MeukuAlala, alala, would you be kind?
Gimme one little more and I'll be superfine
Alala, alala, you're so cool
Can I be your friend? I'll drive till the end'Cause you know but you don't wanna
'Cause you want but you can't have it
'Cause you know but you don't wanna
'Cause you want but you can't have itAlala, alala, I'm so worried
I bought that posh clothing but it still looks ugly
Alala, alala, am I stupid?
I'm doing the talking but I don't get nothingAlala, alala, algum me avisa
Quando bom parar de fazer a ntima
Alala, alala, you're so cool
Can I be your friend? I'll drive it till the end'Cause you know but you don't wanna
'Cause you want but you can't have it
'Cause you know but you don't wanna
'Cause you want but you can't have it
