Not Your Fault

Vatican DC

She was built with a brain
and some swagger.
A little scream, little cry,
little laughter.
She's a ten,
I'm a joke in my own mind.
But she still loves to dance
with my punch lines.
This love found us
now I see it.
This love up down.
Please believe.
Baby, when I'm yellin' at you,
It's not your fault
It's not your fault, yeah
and
Baby cuz I'm crazy from you,
It's not your fault
It's not your fault, yeah
Maybe I'm a little confused,
It's not your fault
It's not your fault, yeah
and
Baby, it's a wonderful news.
It's not your fault
It's not your fault, yeah
Oh, it's not that you should care.
I just wanted you to know.
I'm at fight with myself
till I'm bleeding.
Just a taste of your skin
starts to heal me.
Anyone from my past
get your ammo.
Find my sun in the dark side
of my shadow.
This love found us
now I see it.
This love up down.

Please believe.
Baby, when I'm yellin' at you,
It's not your fault
It's not your fault, yeah

and
Baby cuz I'm crazy from you,
It's not your fault
It's not your fault, yeah
Maybe I'm a little confused,
It's not your fault
It's not your fault, yeah
and
Baby, it's a wonderful news.
It's not your fault
It's not your fault, yeah
Oh, it's not that you should care.
I just wanted you to know.
Hey, hey
na na na na
Hey, hey
na na na na
Hey, hey
na na na na
Hey, hey
na na na na
na na na na
na na na na
Oh, it's not that you should care.
I just wanted you
Oh, it's not that you should care.
I just wanted you to know.
Oh oh oh
Baby, when I'm yellin' at you,
It's not your fault
It's not your fault, yeah
and
Baby cuz I'm crazy for you,
It's not your fault
It's not your fault, yeah
Maybe I'm a little confused,
It's not your fault
It's not your fault, yeah
and
Baby, it's a wonderful news.

It's not your fault
It's not your fault, yeah
Oh, it's not that you should care.
I just wanted you to know.
