

# That Time

Advisory - the following lyrics contain explicit language:

Hey remember the time  
When I found a human tooth down on Delancey  
Hey remember that time  
When we decided to kiss anywhere except the mouth Hey remember that time  
When my favorite colors was pink and green  
Hey remember that month  
When I only ate boxes of tangerines  
So cheap and juicy, tangerines Hey remember that time  
When I would only read Shakespeare  
Hey remember that other time  
When I would only read the backs of cereal boxes Hey remember that time  
I tried to save a pigeon with a broken wing  
A street cat got him by morning and I had to bury pieces  
Of his body in our building's playground I thought I was gonna to be sick  
I thought I was gonna to be sick Hey remember that time  
When I would only smoke Parliaments  
Hey remember that time  
When I would only smoke Marlboro's Hey remember that time  
When I would only smoke Camels  
Hey remember that time  
When I was broke, I didn't care I just bummed from my friends Bum, bum, bum, bum, bum  
Bum, bum, bum, bum, bum Hey remember that time  
When you od'ed  
Hey remember that other time  
When you od'ed for the second time Well, in the waiting room while waiting for news of you  
I hallucinated I could read your mind  
And I was on a lot of shit too but what I saw, man  
I tell you it was freaky, freaky
