Cab Driver

The Mills Brothers

Standing in the rain
Cab comes into view
Ask me where am I goin' to
Running for so long
Been gone too many nights
And my heart has paid the price
This ain't Heaven
And this ain't the life I bargained for, oh no
My reason for living
Isn't here inside this car
You know, I gotta get back to you
Cab driver
Take me home
Spent too much time away
Too much time alone
Cab driver
Take me home
Spent too much time away
From my baby, oh yeah
I need familiar streets
To show me that you're near
Feeling like a stranger here
Oh, does the mirror show the miles on my face?
Am I goin' any place?
'Cause this ain't Heaven
This ain't the life I was hopin' for, oh no, oh no
My reason for living
Sure ain't here inside this car
You know I gotta get back to you
Cab driver
Take me home
Spent too much time away
Too much time alone
Cab driver
Take me home
Spent too much time away
From you, baby
Oh, cab driver
Take me home

Too much time
Cab driver
Take me home
Spent too much time away
From my baby, oh yeah
I need to see the look on your face
A kiss from your lips, oh, the taste, baby
Nothing waiting for me but a lonely room
Girl, I gotta get back to you, baby, soon
Oh, cab driver take me home
Spent too much time away
Too much time alone
Cab driver
Take me home
Spent too much time away
From you, baby
Oh, cab driver
Take me home
I spent too much time
And I gotta get back to you, baby
See, it's a lonely world without you, babe
Without you, baby
Without you, babe
I can't go on
Oh, woah, oh woah
Don't wanna go back to the empty room
I gotta get back to my baby, soon
Please, take me home
Take me home
Gotta get back to my baby
Hey, hey
