

# Stakes Is High (remix)

## D.J. 2-Tone Jones

The instamatic focal point bringing damage to your boroughs  
Be some brothers from the east with some beats that be thorough  
    Got the solar gravitation so I'm bound to pull it  
    I gets down like brothers are found ducking from bullets  
        Gun control means using both hands in my land  
    Where it's all about the cautious livin'? Migrating to a higher form  
    Of consequence, compliments of strugglin', that shouldn't be notable  
        Man, every word I say should be a hip hop quotable  
        I'm sick of bitch's shakin' asses, I'm sick of talkin' about blunts  
    Sick of Versace glasses, sick of slang, sick of half-ass awards shows  
    Sick of name brand clothes, sick of R&B bitches over bullshit tracks  
        Cocaine and crack which brings sickness to blacks  
        Sick of swell' head rappers with their sicker than raps  
        Clappers and gats, makin' the whole sick world collapse  
        The facts are gettin' sick even sicker perhaps  
        Stickabush to make a bundle to escape this synapse  
    Man life can get all up in your ass baby you betta work it out  
    Let me tell you what it's all about a skin not considered equal  
A meteor has more right than my people, who be wastin' time? Screaming who they've hated, that's why the  
    native tongues  
        Have officially been reinstated  
    Vibes, vibrations, stakes is high, higher than high  
    You know them stakes is high, higher than high  
        When we talkin' 'bout the vibes, vibrations  
        Stakes is high, you know them stakes is high  
        When we dealin' with the vibes, vibrations  
        Stakes is high, hey yo, what about that love?  
    Yo, it's about love for cars, love for funds, loving to love mad sex  
    Loving to love guns, love for opposite, love for fame and wealth  
    Love for the fact of no longer loving yourself, kid, we living in them  
        Days of the man made ways where every aspect is vivid  
        These brothers no longer talk shit, hey yo, these niggas live it  
    'Bout to give it to you 24/7 on the microphone plug one translating  
        The zone, no offense to a player, but yo, I don't play  
        And if you take offense, fuck it, got to be that way  
        JD Dove, show your love, what you got to say?  
        I say G's are making figures at a high regard  
    And niggas dying for it Nowadays ain't odd, investing in fantasies  
        And not God, welcome to reality, see times is hard

People try to snatch the credit, but can't claim the card  
Showing out in videos, saying they cold stars  
See, shit like that will make your mama cry  
Better watch the way you spend it, 'cause the stakes is high  
Y'all know them stakes is high  
When we talkin' 'bout the vibes, vibrations  
Stakes is high  
I think that smiling in public is against the law  
'Cause love don't get you through life no more  
It's who you know and how you, son and how you gettin' in  
And who the man holding, hey yo, and how was the scams  
And how high? Yo what up? I heard you caught a body  
Seem like every man and woman shared a life with John Gotti  
But they ain't organized, mixing crimes with life enzymes  
Taking the big scout route and niggas know doubt better  
Than they know their daughters and their sons, oh boy  
Yo, people go through pain and still don't gain positive contact  
Just like my main man, who got others cleaning up  
His physical influence, his mind got congested  
He got the nine and blew it, neighborhoods are now hoods  
'Cause nobody's neighbors, just animals surviving  
With that animal behavior, under I, who be rhyming  
From dark to light sky, experiments when needles and skin connect  
No wonder where we live is called the projects  
When them stakes is high you damn sure try to do anything to get  
The piece of the pie electrify, even die for the cash but at last I be out Even though you wantin' more, this issue  
is closed like an elevator door But soon reopened once we get to the next floor where the  
Vibes, vibrations, stakes is high, y'all know them stakes is high  
When we talkin' 'bout the vibes, vibrations  
Stakes is high, stakes is high, come on
