

# Call On Me

Chris Rea

Call on me when you're alone  
baby if you need someone to love  
Livio: if sometimes, things are hard for you  
Joey: if nothing goes right for you  
Livio: dont you worry cause im on your side  
Joey: there's gonna be a way out everytime  
Livio: if sometimes, you can see the light  
Joey: happiness is always so bright  
Livio: dont you worry cause i'm on your side  
Joe: there's gonna be a way out everytime

Chorus:

ATC:

call on me when you're alone  
baby if you need someone to love  
call me, love is a thing that you need  
so call on me, call on me  
call on me when you're alone  
baby if you need someone to love  
call me, love is the answer you need  
so call on me, call on me  
Livio: (if you need someone to love...to love... to love....)  
Joey: if somewhere, there were better days  
Livio: their happy ever after again  
Joey: dont you worry cause i'm on your side  
there's gonna be a way out every time

Chorus:

ATC:

call on me when you're alone  
baby if you need someone to love  
call me, love is a thing that you need  
so call on me, call on me  
call on me when you're alone  
baby if you need someone to love  
call me, love is the answer you need  
so call on me, call on me  
Livio: (oh baby call on me....call on me... call on me....)  
ATC: call on me when you're alone  
baby if you need someone to love

Chorus:

ATC:

call on me when you're alone  
baby if you need someone to love  
call me, love is the thing that you need  
so call on me, call on me  
call on me when you're alone  
baby if you need someone to love  
call me, love is the answer you need  
so call on me, call on me  
call on me when you're alone  
Livio: (ooh baby call on me!)  
call on me when you're alone  
baby, love is a thing that you need  
so call on me, call on me.....
