Celebrate the Bullet

The Selecter

Celebrate the bullet,
Put your finger on the trigger,
But you don't have to pull it,
'Cause you know it won't bring them,
Back to you, back to you.Celebrate the bullet,
But you have to snigger,
You told 'em all to shove it,
'Cause you know it won't bring them,
Back to you, back to you.Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.Celebrate the bullet,
Put your finger on the trigger,
But you don't have to pull it,
'Cause you know it won't bring them
Back to you, back to you.Celebrate the bullet,
It all seems to get much bigger,
Do you really have to prove it,
'Cause you know it won't bring them,
Back to you, back to you.Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.Celebrate the bullet, bullet, bullet, bullet, bullet, bullet.
