

# Chasing Rainbows

## The Swellers

They drag me underground  
The lights are slowly fading  
The world I thought I knew  
I never knew at all  
The dead don't make a sound  
Unless you're chasing rainbows  
And then they scream your name  
Clawing at the gates  
So pull me out  
And hold me down  
Let's find a way  
To lose ourselves  
Take me to the sun  
I feel I'm chasing rainbows  
And now I'm lost and all alone  
Waiting for a chance to  
Sink my teeth into  
Another desperation  
Now into your room in  
Paradise!  
Are we just dreaming  
In the city that never sleeps?  
'Cause I can't be seeing  
What my eyes tell me  
Am I just dreaming?  
This can't be in my veins  
Everything I ever knew  
Will never be the same  
So chew me up, and spit me out  
Let's find a way to save ourselves  
So pull me out  
And hold me down  
Let's find a way  
To lose ourselves  
Take me to the sun  
I feel I'm chasing rainbows  
And now I'm lost and all alone  
Waiting for a chance to

Sink my teeth into  
Another desperation  
Now into your room in  
Paradise!  
And now I feel it.  
Yeah, I feel it in my blood!  
I can't fight this anymore  
I've given up!  
I've given up!  
Take me to the sun  
I feel I'm chasing rainbows  
And now I'm lost and all alone  
Waiting for a chance to  
Sink my teeth into  
Another desperation  
Now into your room in  
PARADISE!  
Take me to the sun  
I feel I'm chasing rainbows  
And now I'm lost and all alone  
Waiting for a chance to  
Sink my teeth into  
Another desperation  
Now into your room in  
Paradise!  
Yeah!
