

We All Die

Cat Power

Here you go
Say it that she's ill
Here you go
Marriage and kids
And drug addictionAll the lies aside
I believe I am the
Luckiest person alive
Hell we all die
Sometimes hell we all trySomewhere money always sees
Money always draws
The light, hope you can see
Through the beggars in the clearDo you happen to know
Where I am from?
I'm lost in this
So far from home
Far from homeDo you happen to know
Where I am from?
I'm lost, far from mumAll the lies aside
I believe I am the
Luckiest person alive
Hell we all die
Sometimes hell we all trySomewhere
Somewhere
Somewhere
SomewhereStand on my feet
So I can see yours
Standing on my hands
I found my way home
Standing on my head
