We All Die

Cat Power

Here you go Say it that she's ill

Here you go

Marriage and kids

And drug addictionAll the lies aside

I believe I am the

Luckiest person alive

Hell we all die

Sometimes hell we all trySomewhere money always sees

Money always draws

The light, hope you can see

Through the beggars in the clearDo you happen to know

Where I am from?

I'm lost in this

So far from home

Far from homeDo you happen to know

Where I am from?

I'm lost, far from mumAll the lies aside

I believe I am the

Luckiest person alive

Hell we all die

Sometimes hell we all trySomewhere

Somewhere

Somewhere

SomewhereStand on my feet

So I can see yours

Standing on my hands

I found my way home

Standing on my head
