

# New York(Ft. Fat Joe & Jadakis)

## Ja Rule

[Chorus: Ja Rule]

I got a hundred guns, a hundred clips, nigga I'm from New York (New York)

I got a semi-automatic that spits next time if you talk (you talk)

I got a hundred guns, a hundred clips, nigga I'm from New York (New York)

I got a semi-automatic that spits next time if you talk (you talk)

(And I know)[Verse 1: Ja Rule]

Why'all niggas is pussy, poonani, (Vagina)

Your (Monologue's) getting tired, now it's time to ride

You're print distrified, you're no longer desired

So take off them silly chains, put back on your wire

I'm on fire, holly dipped in octane

Let east coast bang, let west coast bang

And Rule gonna bring the ghetto gospel

To every hood possible, pushin' through in the sky blue

Back with the gods you now, preferably the 4 pound

Slugs flyin' at the speed of sound

Tryin' to catch the ears of niggas that's runnin' their mouths

I might get my Brooklyn niggas to run in your house

I don't really understand what the runnin's about

But we're hunters, we take pride in airin' our prey out

Leavin' 'em laid out, dead, in just a sport

Cause we ain't playin' up here in New York[Chorus][Verse 2: Fat Joe]

Nigga I can see the coke in your nose

This ain't a movie, even he got his head blown on the globe

And I was just about to find god

But now that Ma\$e is back, I think I'd much rather find a menage

And everybody talkin' crazy how they're AK spit

But we know this investigatin', and they ain't spray shit

Not me, I'm the truth homie, got the industry shook like

"Naw nigga, Joe gonna let 'em loose on me"

True Story, I'm bringin' the T back

Even Roy Jones was forced to (Lean Back)

My nigga Dre said grind cook

Now we killin' them Howard niggas, who said I must of found Pun's rhyme book

Got bitches on top of the Phantom

And the pinky got bling, like the ring around Saturn

Cook coke, crack, niggas fiend for that

And you already know the x is where the team be at[Chorus][Verse 3: Jadakiss]

I swear it couldn't be sweeter, Life's a bitch

Depending on how you treat her, you might get rich  
It's guaranteed you gonna die, you might get missed  
For maybe 2 or 3 hours, 'til they light their spliffs  
And that coke will get you a long time  
But when I let 'em know the dope is out, it's like America Online  
Wise has awoken  
And you know they say that you deserved it whenever you die with your eyes open  
I still hold a title, because I'm in the hood like them little motorcycles  
Stick up kids, hoppin' out with them old rifles  
Just doin' shit for nothin', it's so spiteful  
Ha I'm just like you  
Word that niggas want to murk you is in the air  
A double shot of yak and the purple is in the air  
And I'm not cocky, I'm confident  
So when you tell me I'm the best it's a compliment[Chorus]
