Yeah Suite 23 at the Chateau  
Had a heart, man I'm tryna get it back though  
Tryna get it back, tryna get it back, tryna get it back  
Age 25 and I'm rich now  
No excuse, you be actin' like a bitch now  
I gave you diamond, a pool, write the checklist  
She want a ring, ain't fucking with a necklace  
I'm a fool for these thangs with the big butts  
Take her home, body turn into a rich slut  
Feel like I can't trust nobody, even day ones  
Watch out for them snake ones Suite veintitrÃ©s at the Chateau  
Had a heart, man I'm tryna get it back though  
White linen, white rose, let's go, oh, oh So please, baby, please, baby, talk slow  
Talk slow, I'm off to blow, I'm off to dro', I'm in my zone  
Grab your girls, grab your phone, and let's go  
Get ready, we going to the Chateau  
Legs around my neck  
I got your nails up in my back  
Get ready, we going to the Chateau  
No love, no love, no love, no love  
Just fucking in a California king, baby  
No love, no love, no love  
No love, no love, no love  
No love, no love, no love, babe  
No love, no love, no love  
No love, no love, no love  
No love, no love, no love  
Fucking in a California king Suite 23 at the Chateau  
Had a heart, man I'm tryna get it back though  
Tryna get it back, tryna get it back, tryna get it back
