

Forever

Trey Songz

Yeah Yeah Yeah Yeah yeah I bet her panties on the floor now hey!
I can see it going down I'm ready now
And I don't wanna wait another minute (no)
So I won't girl I'm gonna handle business I hope she's naked in the bed (bed, bed)
I hope she tell me what she want just so I could do whatever she says
I hope she puts me to the test, what's next girl I came prepared yeah
Give it to her body real good get up in her head, her head And no it ain't my crib but I'm coming home
Daddy's little girl I'm gon treat you like you grown
Show you how I feel ain't that what you want
When I hit the door all the clothes coming off
And once I hit there ain't nothing better for sure
And once I'm in you gon say its forever yours its forever yours
Tell me its forever your, forever yours
Yours yours tell me its forever yours hey! Walking in the door now hey!
Candles burning all around she's ready now
And there ain't no bounds no limits (noo)
I'ma hold you so close when we finish (Girl I hope) I hope she's naked in the bed (you are, you are)
I hope she tell me what she want just so I could do whatever she says tell me baby
I hope she puts me to the test, what's next girl I came prepared yeah
Give it to her body real good get up in her head, her head And no it ain't my crib but I'm coming home
Daddy's little girl I'm gon treat you like you grown
Show you how I feel ain't that what you want
When I hit the door all the clothes coming off
And once I hit there ain't nothing better for sure
And once I'm in you gon say its forever yours its forever yours
Tell me its forever yours, forever yours
Tell me its forever yours I wanna do it real slow if thats okay
I wanna take my time and make your day
Make your night turn into the mornin Forever yours
I wanna do it real slow if thats okay
I wanna take my time and make your day
Make your night turn into the mornin
From sunrise down onto the evenin
Change sheets 6 times and thats just for the weekend
Call me the plumber man from the way it be leakin
Gone so long girl I'm happy to be back
Guess I'm in the zone can't another nigga match
I hope she's naked in the bed
Promise I'ma do what these other niggas said they would if they could And no it ain't my crib but I'm coming

home

Daddy's little girl I'm gon treat you like you grown
Show you how I feel ain't that what you want
When I hit the door all the clothes comin off
And once I hit there ain't nothing better for sure
And once I'm in you gon say its forever yours its forever yours
Tell me its forever yours, forever yours
Tell me its forever yours hey!
