

Burn My Shadow (feat. Ian Astbury)

UNKLE

I have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade away I have burned my tomorrows
And I stand inside today
At the edge of the future
And my dreams all fade away And burn my shadow away
And burn my shadow away Fate's my destroyer
I was ambushed by a light
And you judge me once for falling
This wounded heart will rise And burn my shadow away
And burn my shadow away When I see the light, true love forever
When I see the light, true love forever
When I see the light, true love forever
When I see the light, true love forever When I see the light, true love forever
(Burn my shadow)
When I see the light, true love forever
When I see the light, true love forever
(Oh, burn my shadow away)
When I see the light, true love forever And burn my shadow away
And burn my shadow away
Oh, how I loved you
