

# Blabber 'n Smoke

## Captain Beefheart

I got too much time, too much time  
I got too much time to be without love In my life I've got a deep devotion  
Wide as the sky and deep as the ocean  
Every war that's waged makes me cry  
Every bird that goes by gets me high Sometimes when it's late and I'm a little bit hungry I heat  
up some old stale beans, open up a can of sardines, eat crackers and  
dreams of somebody to cook for me. I got too much time, too much time  
I got too much time to be without love In my life I've got a deep devotion  
Wide as the sky and deep as the ocean  
Every war that's waged makes me cry  
Every bird that goes by gets me high I got too much time, too much time  
I got too much time to be without love
