

# Neon Knights

## Steel Prophet

[Black Sabbath Cover] Oh no, here it comes again  
Can't remember when we came so close to love before  
Hold on, good things never last  
Nothing's in the past, it always seems to come again  
Again and again, again and again and again  
Cry out to legions of the brave  
Time again to save us from the jackals of the street  
Ride out, protectors of the realm  
Captain's at the helm, sail across the sea of lights  
Circles and rings, dragons and kings  
Weaving a charm and a spell  
Blessed by the night, holy and bright  
Called by the toll of the bell  
Bloodied angels fast descending  
Moving on a never-bending light  
Phantom figures free forever  
Out of shadows, shining ever-bright  
Neon Knights!  
Neon Knights! All right!  
Cry out to legions of the brave  
Time again to save us from the jackals of the street  
Ride out, protectors of the realm  
Captain's at the helm, sail across the sea of lights  
Again and again, again and again and again  
Neon Knights!  
Neon Knights! All right!
