Latchkey Kids

Good Tiger

Let me help you choose
Dont live with your ghost
He'll be running as we do it all
The hand you want
The hand you needHe'll never give it in to the sky
He filled our heads with moonlight
Oh, no, stupid then to see where we were, what could have beenGived in to the sky
He filled our heads with moonlight
Oh, no, stupid then to see where we were, what could have been
There is little time, don't waste it on god
Doesn't trust in your presence
The world you seek
The world you need
Never trueGived in to the sky
He filled our heads with moonlight
Oh, no, stupid then to see where we were, what could have been
Gived in to the sky
He filled our heads with moonlight
Oh, no, stupid then to see where we were, what could have beenSpeak for a reason
Sing in your apathy
