

Baby, Now That I've Found You

[Alison Krauss](#)

Baby, now that I've found you
I won't let you go
I built my world around you
I need you so, baby, even though
You don't need me now
Baby, now that I've found you
I won't let you go
I built my world around you
I need you so, baby, even though
You don't need me
You don't need me, no, no
Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I sing right and abide my time
Spent my life looking for that somebody
To make me feel like new
Now you tell me that you want to leave me
But darling, I just can't let you
Baby, baby, when first we met
I knew in this heart of mine
That you were someone I couldn't forget
I sing right and abide my time
Spent my life looking for that somebody
To make me feel like new
But now you tell me that you want to leave me
But darling, I just can't let you
Now that I've found you
I built my world around you
I need you so, baby, even though
You don't need me now
Baby, now that I've found you
I won't let you go
I built my world around you
I need you so, baby, even though
You don't need me
You don't need me, no, no
