Try Again Tomorrow

J. Stalin

(verse 1)
pull up in my whip,like come here lil mama

i know you know my name,all the ripperz talk about me
but they'll never tell a good about a nigga
all they ever tell is da hood about a nigga

i know you like my swagga,cuz you cant stop smiling
im bout watever you bout,so mami whachu hollerin
im in your hair,every time you pass me
cuz i can never let a pretty face just pass me
if you was my boss you can sexual harass me

(chorus)
i try to holla,but she dont give me no play
