Any Which Way (reNRGized)

PureNRG

Any which way
Any whichCount down, another day
Has come and gone away
Barely found the time to breatheI get so caught up in all I wanna do
Sometimes I forget about You
And all the plans You have for meBefore I make the same mistake
For one more day I, I just wanna sayAnywhere You want me
That's where I wanna be
Anyway You want me
That's the way I wanna beAnytime You call me
I want You to hear me say
Lord, use me any which way, yeah, yeah, yeah
Any which way, yeah, yeah, yeah, yeahRewind to another time
When I really made up my mind
To let Your will be what will beAnd I push play, live another day
Have faith that every thing's okay
With more of You and less of me'Cause I know I am nothing on my own
And I just want You to knowAnywhere You want me
That's where I wanna be
Anyway You want me
That's the way I wanna beAnytime You call me
I want You to hear me say
Lord, use me any which way, yeah, yeah, yeah
Any which way, yeah, yeah, yeah, yeahPush play, live another day
Have faith that every thing's okay
Push play, live another day
Have faith that every thing's gonna be okayPush play, live another day
Have faith that every thing's okay
With more of You and less of me
Lord, use me any which wayAnywhere You want me
That's where I wanna be
Anyway You want me
That's the way I wanna beAnytime You call me
I want You to hear me say
Lord, use me any which way
Any which way, yeah, yeah, yeah, yeahAnytime You call me
I want You to hear me say
Lord, use me any which way
