## Gully Floss

Heaven fell from the sky tonight  
There were virgins in my backyard  
Chasing angels with fire sticks  
Heaven fell on herself tonight  
And Moses lay in pieces from some  
17 year old bomb, bomb, bomb, bomb, bomb, yeah  
Here we go, someone's knocking at my window  
Here we go, I didn't ask for this shit  
Here we go, someone's knocking at my window  
Here we go, I didn't ask for it, ask for it, ask for it  
Heaven fell from the sky tonight  
And the whole damn world invited themselves  
To my Sunday barbecue, yeah  
Heaven fell and it's not all right  
And God won't dare show his face  
From of the bottom of my swimming pool  
Here we go, someone's knocking in my window  
Here we go, I didn't ask for this shit, no  
Here we go, someone's knocking at my window  
Here we go, I didn't ask for it, ask for it, ask for it  
Ask for it, ask for it  
La lee be la, la lee be lo  
Here comes the fire trucks, open the show  
Here in the spotlight, which way did they go?  
Which way did they go?  
I'm nobody  
I'm nobody  
I'm nobody  
I'm nobody  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell from  
Heaven fell on herself tonight  
Heaven fell on herself tonight

Heaven fell on herself tonight

Heaven fell on herself tonight

Heaven fell on herself tonight

Tonight

Tonight

Tonight

Tonight
