

# Yr Face

## Yuck

There's a mask in the drawer  
That you wore once before  
There's a coat you're painting on  
Once it dries it never runs Everyone will applaud  
Every lie you afford  
Lose your face to mask your pride  
Using space to fill your mind There's a light that you hold  
Made of silver and gold  
Reflects the way you feel inside  
You run away, but you can't hide  
There's a mask in the drawer  
That you wore once before  
There's a coat you're painting on  
Once it dries it never runs
