

# Music Tape

[Daniel Norgren](#)

I found a music tape  
In my grandpa's house  
I found a music tape  
In my grandpa's house A dragonfly was buzzing in the sun  
A dragonfly was buzzing in the sun  
A cuckoo bird echoed from the woods  
And a cuckoo bird echoed from the woods It's strange just how soon  
A happy home becomes a tomb I mowed the lawn with his lawnmower  
I mowed the lawn with his lawnmower  
And in a week or two the grass will be tall again  
In a week or two the grass will be tall again  
And I played the tape in my old black box  
I played the tape in my old black box  
I sat there for a while  
Everything was very still
