

# Alive

Melissa O'neil

Stuck in the world, no longer turning  
Always the girl, waiting for something  
Too many days walking around sleeping  
Open my eyes, I'm tired of dreaming  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gonna know what it's like to feel alive  
Sun on my face, lights of the city  
Maybe in love or just learning to be  
On my two feet, I can only imagine  
I'll say the words and believe it will happen  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out

At least I'm gonna know what it's like to feel alive  
They think they know me  
But how can they know me  
I'm getting to know myself  
I'm finally ready to be somebody  
With a story to tell  
I wanna run with the reckless emotion  
Find out if love is the size of an ocean  
Even if I crash down, burn out  
At least I'm gonna know what it's like  
I wanna feel till my heart breaks wide open  
I wanna blaze like a fire that's growin'  
Even if I crash down, burn out  
At least I'm gonna know what it's like to feel alive
