Hypocritical Conflict

Acrania

Allow the entry of all this fire
Unbelievable, unconceivable, disproportionately unfairBuild a truth repeating all this lying
Resolutions, constitutions, policy can go to hellBomb and raze, bleeding all this suffering
Kill civilians face to face show this arabs some respectTangled in this whirl of fury
They always said this is my duty
I can not bring out my Desire
I Ì•ll fall apart between this fire
And This...
Will bring nothing but deathTangled in this whirl of fury
They always said this is my duty
I can not bring out my Desire
I Ì•ll fall apart between this fire
Will bring nothing but deathTangled in this whirl of fury
They always said this is my duty
I can not bring out my Desire
I Ì•ll fall apart between this fire
Will bring nothing but death
Tangled in this whirl of fury
They always said this is my duty
I can not bring out my Desire
I Ì•ll fall apart between this fire
