Stand

Bebe Winans

Tell me, what do you do
When you've done all you can do
And if seems like it's never enough
Tell me what do you say
When your friends turn away
And you're all alone, so alone
Tell me, what do you give
When you've given your all and
Seems like you can't make it through

[Chorus]
Well, you just stand
When there's nothing left to do
You just stand
Watch the Lord see you through
Yes, after you've done all you can
You just stand

Tell me, how do you handle
The guilt of your past
Tell me, how do you deal with the shame
Tell me how can you smile
When your heart has been broken and filled with pain
Tell me, what do you give
When you've given your all
And if seems like you can't make it through

[Chorus]

You just stand and be sure
Be not entangled in that bondage again
You just stand and endure
God has a purpose, God has a plan

Tell me, what do you do
When you've done all you can
And if seems like you can't make it through
Well you just stand (stand) 3x
And don't you dare give up
You go through the storm, (stand)

And through the rain, (stand)
You stand through the hurt, (stand)
And through the pain, (you just)

Hold on (stand)
And don't give up
Hold on (stand)
And don't you dare give in (you just)
Stand (stand) 3x
Said you just stand (you just)

After you've done all you can
After you've prayed and cried, cried and prayed
All through the night
After you plant your feet
Squared your shoulders
Hold your head up, and wait on him
He's gonna come through, yes he will

After you've done all you can
You just stand
