

# Forevermore

## Forevermore

Long before the earth  
Before there was light  
Lord You were  
Endless are You God  
No time can contain all you are  
There's no other God before You  
There is no other one to replace you  
You are forevermore  
And there's no other God I call to  
You are the One I cling to  
You are forevermore  
Faithful are You God  
You never change  
Lord You are  
Only You are God  
Forever You reign above it all  
There's no other God before You  
There is no other one to replace You  
You are forevermore  
And there's no other God I call to  
You are the One I cling to

You are forevermore  
There's no other  
No one Greater  
There is none like You  
There's no other  
No one Greater  
There is none like You  
There's no other God before You  
There is no other one to replace you  
You are forevermore  
And there's no other god I call to  
You are the one I cling to  
You are forevermore  
There's no other God before You  
There is no other one to replace you  
You are forevermore  
And there's no other god I call to

You are the one I cling to  
You are forevermore  
You are forevermore
