Everyone Needs Love

Foxygen

Everyone needs love
Everyone needs love
You got to try, try, try, try
You got to hang on, hang on
All right
You got to hang on, hang on, hang onEveryone needs love
Everyone needs love
You got to try, try, try
You're a star, you got to shine, shine on
Shine on
You got to shine on, shine on, shine on
Hang on, hang on, hang on
We can make it together
We can change the world, it's true
We can make it together
Cause probably it's trueBaby, baby, baby, you're a
Baby, baby, baby, you're a star
If you believe you are
Everyone needs love
Everyone needs love
We can make it together
We can change the world, it's true
We can make it together
We can change the world, it's true
