Property Line

The Marshall Tucker Band

Well, my idea of a good time

Is walkin' my property line

And knowin' the mud on my boots is mineWatchin' them leaves

Turnin' from green to gold

There ain't no way in this world

That can make a man feel oldThat's when I get lovin' on my mind

I get lovin' on my mind

And if someone wants to know

Why I'm a-hurryin' all the time

You just tell 'em I got lovin'

Oh sweet lovin', tell 'em I got lovin' on my mindWell, there's two things I think are pretty

One's a black Arabian mare

And the other one is a woman

Who you can't stand to stare atAh, when that happens I get weak at both knees

If I'm out a-choppin' wood

I leave the ax in the tree

'Cause I get lovin' on my mind

I get lovin' on my mindAnd if someone wants to know

Why I'm a-hurryin' all the time

You just tell 'em I got lovin'

Oh sweet lovin', tell 'em I got lovin' on my mindJust tell 'em I got lovin', oh, sweet lovin'

Tell 'em I got lovin' on my mind

My idea of a good time

Is walkin' my property line
