The Juice

Hero

[Verse 1]
I would rather fuck with you than be with someone else
Girl, I know you're poison and you putting me through hell
Know you talked to someone so baby girl, you not that low
That's why you'll be the death of me, my own private funeral[Chorus]
I know you got the juice
I know you got the juice
I know you got the juice
I know you got the juice[Verse 2]
I would rather die for you than live for someone else
Girl, I know you want me living here under your spell
Know you talked to someone so baby girl, you not that low
That's why you'll be the death of me, my own private funeral
[Chorus]
I know you got the juice
I know you got the juice
I know you got the juice
I know you got the juice
