

# About You (feat. will.i.am & Nina Simone)

Mary J. Blige

Mary J, Will, I Am in the place with the love  
Yeah, it feels, it feels good  
Mary J, Will I Am, tell 'em how ya feel Boy you got me goin' crazy  
I don't know what to say anymore  
'Cuz still I wanna be your lady  
You know that I would never walk out that door I'm not giving up on us but  
Things can get a little hard in this life  
But you know, you know I love you You're everthing I ever wanted  
Everything I've never wanted  
In a man, can't you see  
What you're doing to me? I'm sayin' yes and sayin' no  
Because I don't want you to know  
How I really feel, how I really feel About you  
(You know how I feel)  
About you  
(You know how I feel)  
About you  
(How I feel, you know how I feel)  
So very happy with my life  
(It's a new life for me, yeah) You, you're the one for me  
I don't wanna be free  
Boy, you have rescued me  
But sometimes I don't want to be bothered Baby, don't think I am shady  
Just adjusting to ya  
I don't wanna confuse ya or even misuse ya  
But I love ya, I love ya, yeah, yeah, yeah You're everthing I ever wanted  
Everything I've never wanted  
In a man, can't you see  
What you're doing to me? I'm sayin' yes and sayin' no  
Because I don't want you to know  
How I really feel, how I really feel About you  
(You know how I feel)  
About you  
(You know how I feel)  
About you  
(How I feel, you know how I feel)  
And so very happy with my life  
(It's a new life for me, yeah) (So very happy with my life)  
So glad to have someone to hold me

(So very happy with my life)  
I'm so glad, so glad, so glad, so gladBaby, you a soul mama  
Love's what I'ma bring to you  
Quick don't pause like a comma  
Won't stall on ya when it's time to put it on ya  
Don't call on another chick I'm callin' on yaWon't trip on ya, I don't bring the drama  
I won't dip out when it's trauma  
I'm holdin' on mama, hold up, wait a minute  
We've been through the downs ups but stayed in it  
So glad that I've got you, that I got you  
So glad that I got you, that I got youYou're everthing I ever wanted  
Everything I've never wanted  
In a man, can't you see  
What you're doing to me?I'm sayin' yes and sayin' no  
Because I don't want you to know  
How I really feel, how I really feelAbout you  
(You know how I feel)  
About you  
(You know how I feel)  
About you  
(How I feel, you know how I feel)  
So very happy with my life  
(It's a new life for me, yeah)There it is
