

Parking

Tapes 'n Tapes

Waiting, watching the clock,
Breathing, like I'm gonna stop,
Knowing, this love's on the line,
And there you'll be, And I'll pick you up,
In my car,
Take you away somewhere, We'll sit parked in my car,
Minutes turn into hours,
We'll watch the bright lights of the city,
Just you and me, Dreaming.. Your lips dance across mine,
Our hands, fingers entwined,
There we'll fulfill our desire,
And set me free, Oh, and I'll pick you up,
In my car,
And take you away somewhere, We'll sit parked in my car,
Minutes turn into hours,
We'll watch the bright lights of the city,
Just you and me, Dreaming..
I'm dreaming... And I'll pick you up,
When you're down,
And take you away! Sitting, parked in my car,
Minutes turn into hours,
We'll watch the bright lights of the city,
Just you and me.. Ohh! Yes, we'll sit, parked in my car,
Minutes turn into hours,
We'll watch the bright lights of the city,
Just you and me, Dreaming...
