

# Me and You

## Coco Jones & Tyler James Williams

You're spinning round and round and round in my head, head

Did you really mean the words that you said, said?

This is it I gotta know

Should I stay or should I go

Show me the truth

Is it gonna be me and you?

Is it gonna be me and you?

Is it gonna be me and you? I know you gonna be mad

The feelings that you thought you had

Was for another guy

Well I'm that other guy

I'm just a shy kid

Camouflaged before your eyes

Then I knew my lyrics were the key to see the other side.

I should have told you but I never had the courage

And I thought you really wouldn't understand (no)

And now I'm here just to let my feelings surface

Apologizing for disguising who I am

Tell me are you who I thought you were?

Or who I wanted you to be?

Did you do it all for him?

Or were you only playing me? I did it for you

But I couldn't see it through

(But I couldn't see it through) You're spinning round and round and round in my head

Did you really mean the words that you said?

This is it I gotta know

Should I stay or should I go

Show me the truth

Is it gonna be me and you?

Is it gonna be me and you?

Is it gonna be me and you?

You're all I ever wanted

But I got caught in the shadow in the background

But I'm back now

And Kris was all this and that

And my look didn't really fit the rap, it didn't match

He had the style and I had the swag

So I locked up my feelings in the words he said

Give me a hand and I'll take off my mask

If you give me a chance that's all I ask  
What you expect me to do?  
'cause you were him and now you're you  
Now it's just me  
And you got me on my knees  
(And you got me on my knees)  
You're spinning round and round and round in my head  
Did you really mean the words that you said?  
This is it I gotta know  
Should I stay or should I go  
Show me the truth  
Is it gonna be me and you?  
Is it gonna be me and you?  
Why do I feel so deceived?  
Guess I believed what I wanted to believe  
It's perfect in my dreams  
But nothing's really what it seems (no, no)  
You're spinning round and round and round in my head  
Did you really mean the words that you said?  
This is it I gotta know  
Should I stay or should I go  
Show me the truth  
Is it gonna be me and you?  
Is it gonna be me and you?  
Is it gonna be me and you?  
(Gonna be me and you)
