

In The Rapids (2008 Digital Remaster)

Genesis

Moving down the water
John is drifting out of sight,
Its only at the turning point
That you find out how you fight. In the cold, feel the cold
All around
And the rush of crashing water
Surrounds me with its sound. Striking out to reach you
I can't get through to the other side,
When you're racing in the rapids
There's only one way, that's to ride. Taken down, taken down
By the undertow
I'm spiralled down the river bed,
My fire is burning low.
Catching hold of a rock that's firm,
I'm waiting for John to be carried past.
We hold together, hold together
And shoot the rapids fast.
