

You Are The Best Thing

Cheree

Baby, it's been a long day, baby
Things ain't going my way
You know I need you here
Here by my side
All of the time And baby, the way you move me it's crazy
It's like you see right through me
And you make it easier
You please me and you don't even have to try Oh because, you are the best thing
You are the best thing
You are the best thing
Ever happened to me Baby, we've come a long way, baby
You know, I hope and I pray that you believe me
When I say this love will never fade away Oh because, you are the best thing
You are the best thing
You are the best thing
Ever happened to me Now both of us have known love before
To come on up promising, like the spring, just walk on out the door
Our hearts are strong and are hearts are kind
Well, let me tell you what exactly is on my mind You are the best thing
You are the best thing
You are the best thing
Ever happened to me You are the best thing
You are the best thing
You are the best thing
Ever happened to me Yeah, yeah
Yeah, yeah, yeah
Now, now, now, now
