

Dirty Harry (Jon Carter Remix)

Gorillaz

I need a gun to keep myself from harm
The poor people are burning in the sun
But they ain't got a chance
They ain't got a chance
I need a gun
'Cause all I do is dance
'Cause all I do is dance I need a gun to keep myself from harm
The poor people are burning in the sun
No, they ain't got a chance
They ain't got a chance
I need a gun
'Cause all I do is dance
'Cause all I do is dance In my backpack
I got my act right
In case you act quite difficult
And yo is so weakin'
With anger and discontent
Some are seeking and searching like me, moi I'm a peace-loving decoy
Ready for retaliation
I change the whole occasion to a pine box six-under
Impulsive don't ask wild wonder
Orders given to me is
Strike and I'm thunder with lightning fast reflexes
On constant alert from the constant hurt
That seems limitless with no dropping pressure
Seems like everybody's out to test ya
'Til they see you brake
They can't conceal the hate that consumes you
I'm the reason why you flipped your soosa Chill with your old lady at the tilt
I got a ninety days digit
And I'm filled with guilt
From things that I've seen
Your water's from a bottle
Mine's from a canteen
At night I hear the shots
Ring so I'm a light sleeper
The cost of life,
It seems to get cheaper
Out in the desert

With my street sweeper
The war is over
So said the speaker with the flight suit on
Maybe to him I'm just a pawn
So he can advance
Remember when I used to dance
Man, all I want to do is dance I need a gun to keep myself from harm
