Tear the Roof Off

Triumph

Everybody, welcome to the show
I gotta message that you oughta know
Stand in the aisles
Stand on the seats
Clap your hands an' stomp your feet
C'mon, girl, let's raise some hell
It's a time to scream and it's time to yell[Chorus:]
Let's tear the roof off tonight
Tear the roof off tonight
The fuse is ready to light
Tear the roof off tonightHey, listen, if you got the time
I see a lady - she's at least a nine
She's ready to rock, ready to roll
C'mon, girl, let's lose control
Stick with me an' you'll feel all right
As long as you stay for the show tonight[Chorus]C'mon, baby, shake me up
My head is spinnin' like a top
I got me a rock and roll machine
Let's hear ya shout, hear ya scream
Tell me that you love me like I knew you would
The party here never felt so good[Chorus]
