

# Open Eyes

Bratz

Open eyes, I can see what's in front of me  
Open my eyes, imagining what I will be  
Open eyes, I can see how it's gonna be  
Whatever, whenever, gonna make it happen If you tell that I can't, I will, I will  
If you're telling me to stop, I won't, I won't  
You see, no is not in my vocabulary  
Don't underestimate this girl extraordinary Don't matter what or where I'm from  
Don't matter how my time has come, hey Open eyes, I can see what's in front of me  
Open mind, imagining what I will be  
Open eyes, I can see how it's gonna be  
Whatever, whenever, gonna make it happen We can sit it in my seat, I won't, I won't  
'Cause if I want on to believe, I will, I will  
It's not impossible, unusual or scary  
Step outside the box and be extraordinary Don't matter what or where I'm from  
Don't matter how my time has come, hey Open eyes, I can see what's in front of me  
Open mind, imagining what I will be  
Open eyes, 'cause today I'm feeling free  
Whatever, whenever, gonna make it happen You can push me around  
Drop me up or drag it down  
Hold me underwater yet I won't drown I'm tired of all the rules  
So tired of all those fools  
I'm gonna keep it cool Open eyes, open mind, open eyes  
Whatever, whenever gonna make it happen Open eyes, they had what I need to know  
Open mind, not afraid to let it show  
Open eyes, gonna go where I want to go  
Whatever, whenever, gonna make it happen It's open eyes
