Retreat Hell, Pt. 1

Combichrist

In silencÐµ, we're waiting for you
In the shadows, our touch peels your skin away
Exposed to siÑ•kness, pain will release the tension
We made it for you, rage prolongs intentionsAWAYForgot not forgiven, a burning skull
A gaping wound
Through the glass, we see the time passesPAIN AWAY
The fallen trusted you, and this is no illusion
My body's lasted through
Falling into graceProphecy in silence, a pain we cannot hide
Waiting for the call, that face your innocence
Grave me through your soul, what imagined souls to be
Dirty getaway and I regard a painAND SO YOU AREThe fallen trusted you, and this is no illusion
My body's lasted through
Falling into grace
IT'S WHO YOU AREThe fallen trusted you, and this is no illusion
My body's lasted through
Falling into grace
