I Need You Tonight

James Morrison

Need you tonight, need ya, need ya tonight
Yeah I need ya tonight, yeahOh I tell myself that I can be a stronger man
Than I know I can be
But I can't help feel the burden of my weakness
When you're away from meFalling down
It's easy
Falling downOh I know I've got to carry on
But it's so hard to wait so long for youI need you tonight
I need you to come on and save my life
I'm trying to hold on
I kill every second since you've been gone, oh
Stuck here in darkness
Hole where my heart is
Without you I can't make it right
I need you tonight
Yes I doWell I'm staring at the bottom of another glass
I'm feeling empty now
I close my eyes I think of you
It's all that I can do to fill the space somehowCalling out
Can you hear me
Calling out to youI'm cold I'm shaking, baby come and take me from this hell that I've been living throughI need you tonight
I need you to come on and save my life
I'm trying to hold on
I kill every second since you've been gone, oh
Stuck here in darkness
Hole where my heart is
Without you I can't make it right
I need you tonight
Yes I do
OhNeed you tonight
Need ya, need ya tonight
Yeah I need ya tonight
Need ya, need ya tonightNeed you tonight
Need ya, need ya tonight
Yeah I need ya tonight, yeahOh
Woo
Oh ahEvery time I think about it
Oh yeah I cry some more

Every time I think about it
Yeah baby I cry some more
Cry cry some more
Every time I think about it
Baby I cry some more
Cry some more
Every time I think about it
I cry some moreI need you tonight
I need you to come on and save my life
I'm trying to hold on
I kill every second since you've been gone
I need you tonight
I need you to come on and save my life
I'm trying to hold on
I kill every second since you've been gone
Now I'm stuck here in darkness
Hole where my heart is
Without you I can't make it right
I need you tonight
Need you tonight
Yes I doOh I need you tonight
Need ya, need ya tonight
Yeah I need ya tonight
Need ya, need ya tonight
Oh I need you tonight
Need ya, need ya tonight
Yeah I need ya tonight yeahNeed you tonight
Need ya, need ya tonight
Yeah I need ya tonight yeah, yeah (need you tonight, oh no I need you)Need you tonight
Need ya, need ya tonight
Yeah I need ya tonight
Need ya, need ya tonight
