

That's So You

The Rocket Summer

It's a beautiful day
Now I'll be ok now that you're not away
Yesterday was a terrible day
But now that you're here I'm ok
Cause you don't know how much I, I need you
Please don't go
You're so wonderful
This I swear, this I know

[Chorus]
You, oh you, every single thing you do
I'm so proud of you
What you do
When you do the things you do
They're so you

So thanks for your help
You shine so bright
You are the star that's in my sky
And I am yours and you are mine

[Chorus]
I'm so proud of you
That's so you
