Babyfather

[Intro]

Is this guy serious? Is this guy serious or what?[Hook]

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags[Verse 1]

Let it out, let it out, let it out

Boy, what you crying about?

Every boy got a problem with me

Don't see things how I see

I don't know what they asking of us

Everyone got a question for us

Can they give a nigga privacy?

What is that? Where is he? Who is she?

Where is that? Who is he? What is she?

Who is that? What is he? Where is she?[Hook]

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags[Verse 2]

Twenty bags, what it cost to start

Twenty bags, said this one is gonna flop

Twenty bags, everyone gonna see

Twenty bags, don't send for me

Twenty bags, got me up in the sky

Twenty bags, got me higher than a kite

Twenty bags, got me crying inside

Twenty bags, twenty bags, twenty bags

Twenty bags, twenty bags, twenty bags

Twenty, I don't know what you asking of me

Caught a nigga going crazy

Get these white girls out of my home[Instrumental Break]

The kush rolled in, I'm dead

Pour some liquor on my head

Easy, easy

Pour some liquor on my head

Easy, easy[Outro: Sample]
