In The Air

Fishbone

It's not the liars that can set you free
It's not the riches that you can't foresee
No, it's not the monkey or the LSD
It's not the powers that be
It's always in the air
It's always in the air
And it always will be there
It's always in the air
It's not decisions made in city halls
It's not amusement parks or shopping malls
No, it's not the preachers when the tower falls
It's not manipulated laws
It's always in the air
It's always in the air
And it always will be there
It's always in the air
It's in the answer no one ever knows
It's in the orphan children no one chose
It's always in the air
It's always in the air
And it always will be there
It's always in the air, air
It's always in the air
It's always in the air
It's always in the air
It's always in the air
