## Thierry "titi" Robin

The house of pain

The house of pain

The house of pain

Yo, the time has come

For everyone to clean up their own backyard

Before they go knocking on their neighbor's door

The house of pain

Is cleaning up

Sweeping up

Clocking up

Check it

Check yourself before you check another

The house really [Incomprehensible]

The house, the house

It's the house of pain

It's the house of pain

It's the house of pain

...
