

Fire and the Flood

Vance Joy

I was only walking through your neighborhood
Saw you out loud honey in the cold I stood
Anywhere I go there you are
Anywhere I go there you are

I been getting used to waking up with you
I been getting used to waking up here
Anywhere I go there you are
Anywhere I go there you are

There you are
There you are

Youâ€™re the fire and the flood
And Iâ€™ll always feel you in my blood
Everything is fine
When your hand is resting next to mine
Next to mine
Youâ€™re the fire and the flood

Since we met I feel a lightness in my step
Youâ€™re miles away but I still feel you
Anywhere I go there you are
Anywhere I go there you are
Late at night when you canâ€™t fall asleep
Iâ€™ll be lying right beside you counting sheep
Anywhere I go there you are
Anywhere I go there you are

There you are
There you are

Youâ€™re the fire and the flood
And Iâ€™ll always feel you in my blood
Everything is fine
When your hand is resting next to mine
Next to mine
Youâ€™re the fire and the flood

Now listen here she said

Boy when you know youâ€™ll know
And I know

Youâ€™re the fire and the flood
And Iâ€™ll always feel you in my blood
Everything is fine
When your hand is resting next to mine
Next to mine
Youâ€™re the fire and the flood
