

# My Dream

## Shaggy

My dream, my dream  
My, my, my  
Dream, ha he  
Dream, ha he  
Now I got to wonder if you dreaming or not  
'Cause everything seems so real  
Shaggy cha  
As my days grow old and my night grow cold  
And e yearn for your tender love  
My desires are strong I can't seem to hold on  
And I wanna feel your touch  
Girl, I love you so much it's way pass a crush  
And they fantasy feels real  
And when reality bites it cut likes a knife  
And I wake up asking myself  
Is it really real or is it a dream now  
Is it really real or is it a dream now  
Hear me now  
Girl, you know sexy that you have it all together  
Tickle up me fancy with you sweet smelling feather  
Smooth like a silk, you could be rough like a leather  
Don't wake me up I want the moment to last forever  
Time goes by you know my loving gets better  
Passionate moment probably think I would a never  
Have you in a mi thoughts girl you si down and you wonder  
Girl let this one last forever

Is it really real or is it a dream now  
Is it really real or is it a dream now  
As I reminisce on the times I missed  
And the warmth of your tender lips  
I can't help but wonder if I wake  
Will I find a love like this, yeah, yeah  
I guess it's fair to say that  
You are the woman in my dream  
Well, that's the word or haven't you heard  
Why don't you get up and help me sing  
Is it really real or is it a dream now  
Is it really real or is it a dream now

Hear me, hear me  
Is it a figment of my imagination  
Or that me under sexual frustration  
Right now me under nuff aggravation  
Can't show it must protect man reputation  
Now this is something I must ask a question  
I would a really like fi know your intentions  
In regards to my infatuation  
Tell me 'bout the operation  
Is it really real or is it a dream now  
Is it really real or is it a dream now
